The Maastricht Interview

2 Days

This course is specifically aimed at Mental Health (peer) workers & clinicians who want to learn how to use the 'Maastricht Interview'.

During these 2 days you will grow confident in using the 'Interview' and learn how to create a 'Report' & 'Construct'. The Maastricht interview is a great clinical tool with potential for therapeutic benefits and can have an impact on recovery plans.

The Mega Training

3 Days

This 3 day mega training combines Voices Vic's most popular 2 day 'The Hearing Voices Approach' training with our 1 day 'Voice Profiling' workshop.

By the end of the 3 days you will have a solid understanding of the hearing voices approach, how to apply it in many practical settings and learn how to use a number of different Voice Profiling techniques.

Using Your Story in Peer Work

2 Days

It is common strategy for Consumer & Peer Workers to use their story in their work.

In this workshop we look at strategies for sharing our stories in peer work contexts so we can have the necessary impact, preserve our personal boundaries and privacy, and stay focused on the reason for telling the story.

Hearing Voices Group Facilitation

1 Day

This interactive 1 day workshop is great if you want to start and/or (co-)facilitate a Hearing Voices support group.

By the end of the workshop you will feel confident as a facilitator and have a great understanding of what it takes to start a Hearing Voices support group.

You will need to have completed 'The Hearing Voices Approach' training to sign up for this workshop.
