Voice Profiling

1 Day

This course is the natural progression from 'The Hearing Voices Approach'. Voice profiling is a set of accessible tools and strategies that help build greater awareness and understanding of a person's voices.

By the end of the day you will have an excellent understanding and practical experience of the 'Maastricht interview' and of 'Mind mapping'.

Group Facilitation for Peer Workers

2 Day

This interactive, practical workshop is ideal for any current or aspiring peer workers wanting to learn how to facilitate recovery based, peer-led support groups.

This course is not specific to hearing voices and could be useful for any peer facilitator who needs an introductory course on how to get started.
